- **Lump-Sum Account:** A fixed or variable interest rate account with money received as an initial lump-sum and advances as needed, but each subsequent advance must be a minimum of \$10,000.

If you do not schedule planned advances, a minimum \$25,000 initial advance is required.

No payments of principal or interest are required as long as the homeowner lives in the home.

No prepayment charge applies:

- On one prepayment of up to 10% of the outstanding principal and interest made within 30 days following each anniversary date.
- After 5 years of the initial advance, if the prepayment is made within 30 days following an interest rate reset date.

## Interest Rate Options

If the homeowner selects a fixed rate in the Lump-Sum Account, it can be switched to a different fixed rate or to the variable rate during or at the end of the interest rate term. An interest rate differential may be applicable if switching during the current interest term. If the variable rate is selected, it can be switched to a fixed rate at any time.

\*Other legal costs may apply if additional legal work is required (eg. title issues).
